Greetings Dear Friends,

God still amazes me! Since the beginning of this year, we have had 9 churches partner with us financially bringing our total support level to 76%! God is so good. We are excited about being another step closer to 100% and look forward to seeing how God will work in the next few months. We have meetings in GA, TN, FL, AL and TX and we are still planning and scheduling meetings. Please pray that God would fill in the dates that we still have open so that we may stay busy in our service for Him.

*Phil. 4:19 But my God shall supply all your need according to his riches in glory by Christ Jesus.*

God is faithful. He has always, and we know that He will provide all the support we need to get to New Zealand. He has kept us healthy and safe for which we are very thankful. Considering all the churches we've visited, hotels we've stayed in and people we've been in contact with, God has kept us healthy.

New Zealand Prime Minister Jacinda Ardern has opened the Tasman Bubble – that is New Zealand and Australia are open for travel between the two countries and recently the Cook Islands. This is a step in the right direction which will hopefully see the borders open fully to the US and other nations. Our prayer is that she will open the borders to the US soon so that we may go and get started. Bro. Grove, the missionary with whom we will be working,

has stated several times there is a great need for us to be there to help and share in the ministry of Victory Baptist Church.

We are thankful for those that have donated so far toward our **Setup Funds**. If you would like to help with this, donations may be sent to **BIMI** at the address on the footer of this letter with the notation **"#1603 Setup Funds"**

We have enjoyed getting to meet people in the different churches God allows us to be in. What a blessing to see God moving, churches growing and people excited about telling others about the Lord. We are humbled that God allows us to go to churches to encourage them in missions and to share the needs of New Zealand. While we strive to be an encouragement to every church we are in, we are usually blessed over and above by the friendliness and hospitality of God's people in these churches. Thank you to all of you who have prayed for us or encouraged us along the way with thoughtful words. You will never know how refreshing your words of encouragement are to us.

We love you all and we're praying for you as well.

In Christ,
