Dear Friends,

Over the past 3 years, God has shown Himself to us in ways that continues to confirm over and over what His will and plan is for our lives.

We finished full time deputation on December 20th and for the next few months we will be preparing Brett for his ordination, as well as applying for our visas, getting all our paperwork in order and preparing the items for shipping to New Zealand. The Critical Worker Visa that Pastor Grove in Ashburton applied for was not approved. Lord willing, we will be able to move to New Zealand in May. We have several meetings in Alabama, California, Georgia and New York. Please pray for safety as we finish this last leg of deputation.

We are thankful for the churches who have contributed toward our Startup Needs list. As you can see from the graphic on the left, we have received a large percentage and still have a good way to go before we are at the 100% mark. Would you prayerfully consider donating toward our needs list? **All funds go directly to BIMi and should include our Missionary ID #1603 and a MEMO stating Setup Funds**

And we know that all things work together for good to them that love God, to them who are the called according to his purpose. Romans 8:28

We are looking forward to seeing what God will do over the next few months and years as we begin working with the Groves at Victory Baptist Church in Ashburton.

We are thankful for each of you, for your prayers and faithful support of our ministry while we have been on deputation, and we covet your prayers as we enter the next phase.

Some of you have reached out to us via email or regular mail and we would love to hear from more of you. You have partnered with us, and we want to get to know you and know how we can pray for you. Our contact information is on the footer of this letter as well as on our website hoffmanstonewzealand.com

May God richly bless each of you.

In Christ,
Brett & Jenny Hoffman
